

Nature Trail

Keldy Nature Trail

**Make your way from post 1 to 10 to see what facts you can find,
Learn what you can about our site,
And what lives where from day through night,
After your stroll, come back to the Forest Retreat,
To pick yourself up a nice tasty treat,
Sit back and relax, see what you've learned,
Answer these questions and spread the good word.**

1. When was the Forest Retreat opened?

2. Who opened the Forest Retreat?

3. How many species of bat live in the UK?
